3 1. I am an investigator, employed by Filley & Associates, a private investigation

5 witness I could and would testify competently to the matters stated herein.

6 2. At the request of Plaintiff U2 HOME ENTERTAINMENT, INC., I was assigned
7 to conduct a survey of the following video outlet in the New York Metropolitan Area, New York
8 for suspected copyright infringement.

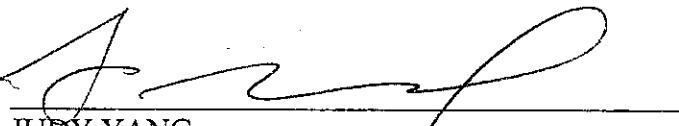

9
10 NEW MELODY MUSIC, INC.

11 1. On or about July 14, 2007 at approximately 3:30 PM, I visited the video store of
12 Defendant New Melody Music, Inc. located at 24 East Broadway, New York, NY 10002. The
13 store specializes in the sale of Chinese language video discs. The store was located on street
14 level. I observed one Asian female attendant in her 20's and one Asian male attendant in his 50's
15 in charge of the business. They were both speaking the Fuchow dialect. I observed various
16 DVDs, VCDs, and CDs behind the counter in plastic envelops with titles handwritten onto the
17 discs. I estimated that the premises occupy an area of approximately four hundred (400) square
18 feet.

19 2. I observed approximately one thousand (1,000) Chinese DVDs, VCDs, and CDs for sale
20 in which I estimated approximately sixty (60) to be Plaintiff's titles. I selected and purchased the
21 television program title to which Plaintiff owns the copyright as follows: HEART OF GREED
22 (Episodes 1-40). I paid the sum of \$35.00 in cash. A receipt was issued. I also obtained a
23 business card with Defendant's name, business address and phone number.

1
2 3. All of the purchased video discs from the Defendant as well as the receipt and business
3 card from Defendant were forward to Plaintiff's Associate Counsel LYNDA HUNG, ESQ.
